HOW TO PUT ON A BODY SHAPER

1. Open all zippers and hooks and sit down. Step into the body shaper one leg at a time and pull it up above your knees.

2. Stand with your legs apart and pull the shaper up on both sides.

3. Attach the straps and adjust them to fit you. Verify that the body shaper is in place and isn't rolling up or down anywhere.

4. Adjust both the inner lining and the closure, then hook or zip it closed. If it's a body shaper, the top should sit right below the bra.
